## Loose Teas and Herbal Infusions

### English Breakfast

Simple China black tea, 100%, Kemun it has a full body and a toasty nose, a perfect match for milk and sugar

### Earl Grey Supreme

A supreme blend of full leaf black teas, all scented with the oil of bergamot, the result is a bold and flavorful cup.

### Organic Darjeeling

This infusion of delicate plucking is puckery, fruity and flamboyantly aromatic.

### Formosa Oolong

Also known as the champagne of teas, this oolong produces a delightful peachy brew, it is light and soothing.

### Smokey Country Blend

A blend of four premium black teas with a touch of smoky Lapsang Souchong is long on taste with a thin body.

### Orange Pekoe

A classic blend of strong Assam and smooth liquoring Ceylon, producing a mellow and satisfying cup.

### Moroccan Mint

For this traditional beverage, we infuse a touch of gunpowder green tea with fresh mint leaves and pure cane sugar

### Egyptian Chamomile

A fragrant and relaxing herbal infusion, completely caffeine free and wonderful with a touch of honey.

### French Verveine

These caffeine free big green leaves produce a full-bodied liquid with a soothing lemony scent.

### Ajiri, Kenyan Black Tea

High in antioxidants this tea is big, bold and assertive. The purchase of this tea benefits the job creation for women in western Kenya, and the education for orphans in the area as well.
